AIPD

- **Year of establishment:** 1979, (official government recognition in 1983)
- **Legal status:** non-profit organisation
- **Staff at national level:** 18 professionals (social workers, educators and psychologists): 7 full-time and 11 part-time
- **Main funding sources:** membership fees, donations, financial support from the state. Some grants coming from projects financed by Italian Government and European Commission
- **Mission:**
 - supporting people with DS and their families
 - promoting studies on DS and disseminating information
 - supporting school mainstreaming, vocational training and job inclusion, independent living

WHERE AIPD IS

Nationwide organizational structure:

- National Headquarters in **Rome**
- **43** branches all over Italy

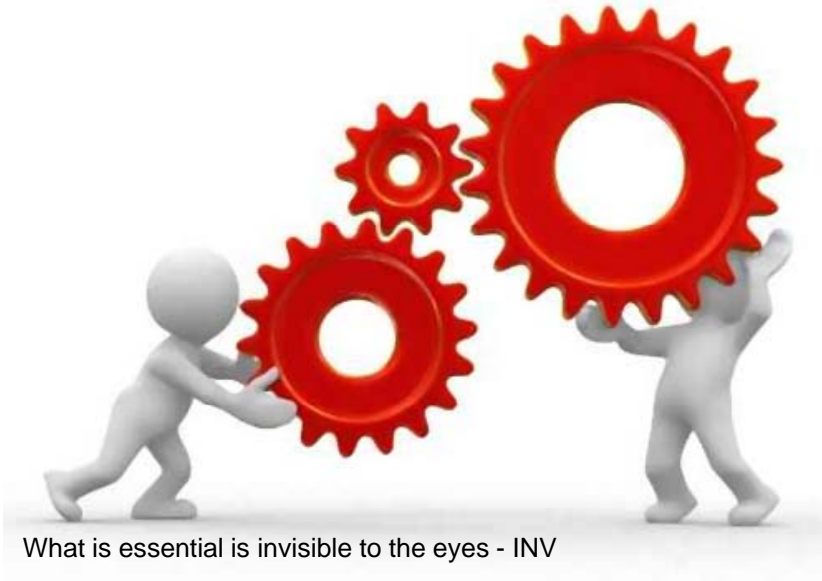

AIPD ACTIVITIES

Target group

AIPD supports all the people with Ds,
members or not members of the association,
of all ages

AIPD ACTIVITIES

Target group

- Providing families, professionals and GP with information and advice on all aspects of Down Syndrome
- Promoting and encouraging the full social and job inclusion of people with Down Syndrome on a national level
- Disseminating information on Down Syndrome
- Informing GP as fully as possible on Down Syndrome through the publication of specific articles, pamphlets, folders, TV programs, as well as through the AIPD Down Syndrome magazine and library
- Promoting awareness raising campaigns

OUR PAST EXPERIENCE WITH PEOPLE WITH SEVERE DISABILITIES

We have got a long working experience with teen-agers and youngsters with Ds as far as autonomy and self-esteem are concerned.

We have no specific methods to work with people with severe disability.

It is

What is essential is invisible to the eyes - INV

OUR EXPECTATIONS FROM THIS PROJECT

- Sharing experience with similar associations
- Developing new tools and educational programs on this issue
- Motivating social workers, decision makers and Institutions to the work with people with severe disability
